

low tables

TRICONVILLE™

low tables

Premium grade teak crafted into a modern art. This table collections has simple and clean line designs, in order to match any other collections. From teak collections like Nivelle or even our wicker collections like Modena. It portrays our well know designs of teak. All made with high grade teak, properly kiln dried and mechanically processed into precise teak products under strict quality control systems.

- Chairs
- Tables
- Sofas
- Benches
- Loungers & Others
